EA # 82-2814

December 8, 1982

The Honorable William Casey
Director
Central Intelligence Agency
Washington, D. C. 20505

Dear Bill:

We have asked the Congressional Research Service to organize a Workshop/Hearing on East-West Commercial Relations for December 14 and 15. A number of analysts from the government and research organizations and academia are participating in this several day assessment of the premises on which our East-West commercial relations policy is based. Our panel on the economic aspects as they relate to impacts on the Soviet economy would benefit by direct participation of the staff of your Office of Soviet Affairs. We would appreciate it if you would make available such an analyst to present a paper and be prepared to discuss with the other invited participants the implications of their papers as well. We anticipate that the proceedings of this Workshop will be published in final form.

The participation in the Workshop would be by invitation only and would include no members of the media. Each of the discussions would be recorded as is the practice of Hearings, and each of the participants would have an opportunity to edit their comments prior to our publication.

We have asked Congressional Research Service to assist us in preparing for this Workshop/Hearing. Dr. John P. Hardt has prepared a discussion paper which may be made available to you under separate cover. Please communicate with Hans Binnendijk or Diana Smith of my staff for further information on this Workshop/Hearing. I would be grateful for an early and affirmative reply.

Sincerely,

Charles H. Percy
Chairman
